

PROTECTION & SECURITY

Recommended Frames

602 Bondi

The Bondi frame has a modern wrap design, protecting our eyes without the need for side shields as it covers all angles and areas around the eye.

606 Colorado

Modern plastic wrap frame, durable and sturdy with anti-slip temples to keep the frame secure.

Recommended Lens Coatings

BPI TINT YELLOW: Total acuity in vision for low light environments.

BPI TINT PINK: Reduces eye strain in bright conditions. Provides good visibility outdoors.

IOAC's Certified Prescription Safety Eyewear provide clear, distortion free vision with superior quality optics.

They protect and serve our community, with the ability to do it safely using our IOAC frames and lenses. A range of different coats and tinting to help give 100% clarity without glary vision.

It is integral that the eyewear security guards wear is durable, hence why IOAC frames are first choice in this industry.
